3/19/20

Greetings from all of us here at LINE-X of Western Maine! We would like to thank all of our customers for your business over the last year and a half. Also we just wanted to let everyone know we are open for business, we are taking precautions to protect both our employees and our customers. All employees are wearing gloves when getting in and out of customers vehicles, we are offering pick-up and delivery to appointments for our at risk clientele within a reasonable distance from the store, and of course we are happy to reschedule any appointments already made. Don't forget we have do have gift certificates available if you would like to purchase anything at this time and have the work done at a later date.

Now is the time to shop local and help out small businesses! The big chain stores will be fine through the coming weeks but it is your local shops who will be impacted the most from all of the new guidelines and policies. We hope everyone stays safe during these times and again want to thank all of our customers, you are all in our thoughts during the coming days.

Sincerely,

The Staff at LINE-X of Western Maine
